Supporter -

I can't believe 2017 is almost over. In the face of unrelenting attacks on our fragile ecosystems and vulnerable communities by an anti-environment administration and Big Oil and Gas interests, the Sierra Club remained defiant -- **but we couldn't have done it without you.**

You've made it possible for our Beyond Coal Campaign to retire over 250 power plants, for our Ready for 100 Action Campaign to get 118 mayors committed to powering their cities with 100 percent clean energy sources, and for our grassroots supporters to mobilize in resisting anti-environmental efforts around the country.

But in 2018 we'll be facing even more staggering threats from a rabidly anti-conservation administration, corporate interests that don't care about polluting clean air and water, and a fossil fuel-controlled Congress that wants to sell off our public lands. **And we'll need your help more than ever.**

You can help us start 2018 strong with a year-end gift. It's so important that we hear from you TODAY because a generous donor will multiply your gift x3, up to \$250,000! That means:

[\\$15 becomes \\$45!](#)

[\\$25 becomes \\$75!](#)

[\\$100 becomes \\$300!](#)

Here's how we'll be fighting back in 2018:

- **Mobilizing our grassroots** to stand up for the people and communities most impacted by environmental toxins and climate change.
- **Pressuring Congress** to keep public lands for everyone to access and enjoy for generations to come.
- **Blocking the Trump Administration's dirty fuels agenda** that would pollute our air and water, endanger wildlife, and destroy pristine wild places.

But this triple match offer expires at MIDNIGHT.

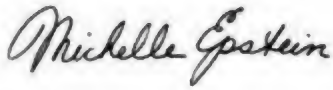

[Please, renew your support to triple the impact of your gift. We'll also send you our eco-chic reusable bag set -- FREE.](#)

Supporter, when 2017 ends, so does this match. We need everyone on board to give us the

strongest start possible in the new year. Please stand with us:

Thank you for everything you do,

P.S. -- If you've already made your gift, THANK YOU. We've had an outpouring of support and are busy processing donations.
